WHAT DO WE DO?

Cool CS Stuff

There is so much more to CS than is covered in the school's curriculum. This club will let you learn more about these practical skills.

UIL Computer Science

The CS Club is a place where members can work together to study for UIL Computer Science

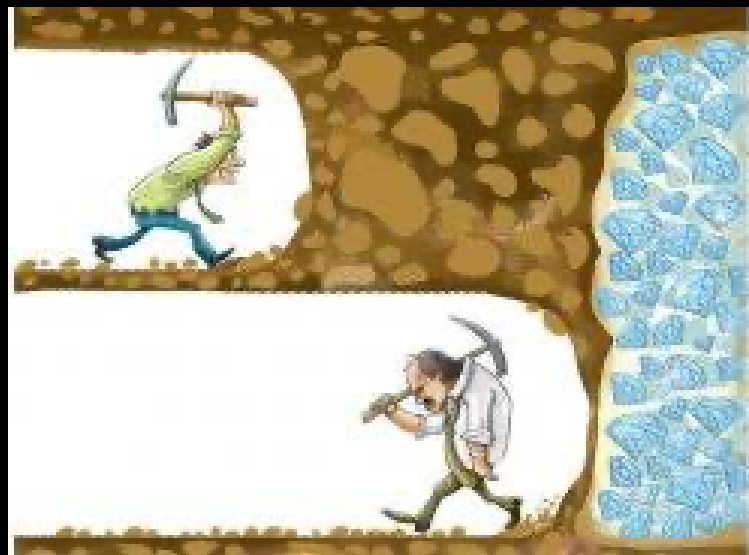

Cool Events

We are going to have community events such as hackathons, game jams, and capture the flag competitions

Community Showcases

If you have a cool project or idea you can present it to the community

OUR POINT SYSTEM

- Coming to a meeting
5 points
- Bringing a friend to a meeting
3 points
- Presenting at a meeting
10 points

Most points gets a free month of Claude Code

KAHOOT

hoo!

Kahoot! 13 Ques

Computer Science & Tech Trivia

Test your knowledge on computer hardware, binary code, web development, and tech history with...
